

(1) The time of commencement and rate of progress of the scheme were carefully chosen with economy as the main motive;

(2) All the available resources of the Colony were placed, where necessary, at the disposal of the Settlement Scheme, without charge.

In view of the above, even a small extra item, if charged to the Settlement Scheme, must unavoidably result in an over-expenditure.

1. General Labour - wages and materials	£ 100	£ 100.00	£ 100.00
2. General Labour - wages and materials	£ 100	£ 100.00	£ 100.00
