

20.

For His Excellency's Decision.

Canton Island - Ordering of Stores through Pan American Airways.

- (1) In view of the fact that it is only on rare occasions that the Administrative Officer, Canton Island, is able to order government and private stores through normal channels, may he be authorized, in cases of special necessity, to obtain supplies etc. through Pan American Airways.
 - (2) May arrangements be made in such cases for the cost to be recovered through the usual government channels? There are no facilities on Canton Island for the purchase of articles for cash.
 - (3) It is understood that Pan American Airways have no objection to supplying the Administrative Officer with supplies (including fresh meat, fruit, and vegetables), of which there is an abundance on the island.
