

16th JANUARY - THURSDAY.

Wind about North - Force 3. Bright and sunny until about 4:30 p.m., then overcast and eventually light rain. Rainfall 1.00" until 2:30 p.m. on

17th January.

N.H. and gang at eight on goal. Ruben, Baokir, Bauro on latrine wharf, after Bauro had finished drawing of N-5 Map for office - actually a tracing of part of a larger map of W.P.H.C. territories.

Rorera, Sobera & Komorio on transplanting of coconuts.

Kiriata & Aturoana on bookcase.

Const. Telen & Motony repairing blinds damaged by gale. Tanelua & Neti on sick list. Former now recovered from fish poisoning but developed two boils like Neti.

Terti spent restless day & still more restless night. Think a large part of his trouble is hysteria & would be better for a little less attention.
