Districts and features as named by Gilbertese settlers of Nikumaroro, 1938 – 1963

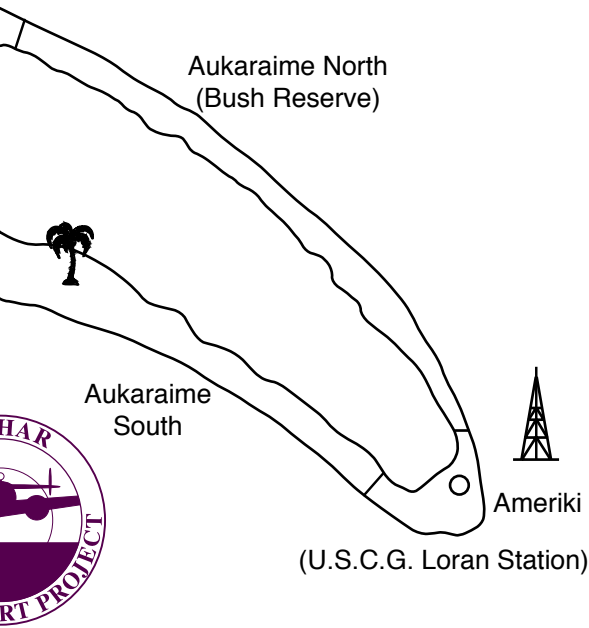

Expedition

These primary team members have a strong commitment to the foundation and for the success of this expedition. In some circumstances forces one or more of these team members from among applicants who qualify. To alternate for this expedition you must complete the Introductory Course in Aviation Archeology and 30 days of field experience on a TIGHAR expedition for the entire 35 day expedition. 🐾
