Mukalaelae.

1<sup>st</sup> of August 1940.

Mr. G. B. Gallagher.  
Bun Island.

I just want to ask you about the £6.0.0. which I sent to purchase some lamps for the Native Government at Mukalaelae, and Pactor.

We had received the receipt of that money which was forwarded to us by the D.O. at Sarawak, but up to date we didn't have the lamps yet, that is why I'm sending you this letter, to let us know how or when we should have our lamps.

We need those lamps very bad and we will be much pleased if we receive them sometimes.

Your Truly,  
Kaite. H. M. Mukalaelae.
