Your confidential telegram 11th February.  
Many thanks - rather an anticlimax! ~~Personal should be  
delighted if you keep box but matter has been mentioned  
in private letter to High Commissioner who is interested  
in timber used and may ask to see it. It would be fun to  
make you one for yourself or perhaps a little tea table -  
we have a little seasoned timber left. Please let me know  
whether you prefer box or table and if former give any  
particular inside measurements.~~
