From...The Senior Medical Officer, Central Hospital, Tarawa.

To...The Officer-in-Charge, Phoenix Scheme, Gardner Is.

No.....

(Date).....14th February, 1941.....

Your telegram 11th February. Confidential.
Matter became somewhat tense and complex after guillotine
conversation between us. As I had (and still have) no
information save presence of remains and therefore
guarantine fromno danger infection, I am still
wondering how wretched relics can be interesting.

Issac.
