

Start Repairing Boyles Building

Extensive Repairs To Be
Made To Building Dam-
aged By Recent Fire

CONTRACT LET TO
GILFILLAN COMPANY

Work of making extensive repairs to the Boyles building, which was seriously damaged in the recent blaze which totally destroyed the St. Cloud building, has been started by the J. Clyde Gilfillan Lumber Company, who recently received the contract for the remodeling of the building.

An entire new west wall is to be put in, the cellar will be excavated to a lower level to conform to the excavation for the new St. Cloud building, which will be started soon and the interior will be remodeled. Mr. Gilfillan stated this morning. The work is expected to take several months to complete. Work of tearing out the west wall is making progress. According to the building permit issued this week, the cost of the repairs is placed at \$13,500.

Senior Class Play Scheduled May 20

Will Mark Start Of Commence-
ment Activities For June
Class Of 1937

Commencement events at the big school on Lincoln avenue will reach one of their high spots Thursday evening, May 20, when the graduates class play will be presented to the public.

For its dramatic performance the class has chosen Auran's "Skiddling," a three-act comedy, "Skiddling," originally produced at the Bijou Theater, New York City. This is a domestic comedy of the best sort. New Castle movie-goers will remember the motion picture, "A Family Affair," which was shown at one of the local theaters a short time ago. It was the screen version of "Skiddling."

Under the able direction of Miss Clara Hartshoff, senior high school dramatic coach, a fine cast is prepared to go before the footlights with an exceptionally good play. The cast that has been selected will include the following players: Elizabeth Slaver as Marion Hardy, James Cavell as Andy Hardy, Mary McLaughlin as Mrs. Hardy, Gilbert Colnot as Judge Hardy, Betty Woodring as Aunt Milly, Jack Ligo as Mr. Stubbins, Estelle Cumberbaum as Estelle Hardy Campbell, Mary Conrad as Myra Hardy Wilcox, George Large as Grandpa Hardy, and Dennis Allhouse as Wayne Trenton.

JAP BEETLE TRAP
HARRISBURG—Roger M. Baker, chief entomologist of the State Department of Agriculture, reports that 2,500,000 Japanese beetles were caught in 12 beetle traps last summer.
